

### Track 12.3

 **HR Specialist (HR):**Hi! Thanks for joining us today. Let's get started. Can you tell me a little about your background and where you've worked before?

 **Programmer:**Sure! I've worked at a few companies. I worked at a small startup for a year, and last year I was part of a larger tech company.

 **HR:**That sounds interesting! What programming languages have you learned?

 **Programmer:**I've learned JavaScript, Python, and I've also worked with HTML and CSS.

 **HR:**Great! Have you worked with any databases?

 **Programmer:**Yes, I have worked with MySQL and MongoDB.

 **HR:**Good to know! How long have you been programming?

 **Programmer:**I've been programming for about five years.

 **HR:**Nice! Have you worked on any interesting projects recently?

 **Programmer:**Yes, I've worked on a web development project for a client. It was a website for a small business.

 **HR:**Awesome! Have you worked in a team before?

 **Programmer:**Yes, I've worked with teams on big projects, especially when we needed to collaborate closely.

 **HR:**Perfect! What do you enjoy most about programming?

 **Programmer:**I love solving problems and building things from scratch. It's always exciting when my code works perfectly.

 **HR:**Great! Thanks for sharing. We'll be in touch soon.
